A PUBLICATION OF BUTLER HIGH SCHOOL

BUTLER FIGHT SONG

Oh, we will cheer, cheer, cheer

For dear old BUTLER HIGH,

The pride of all the land.

Loyal we'll ever be throughout eternity;

For right and might we stand.

Then onward! Forward! Victory is our cry.

Our Butler Bears will ever do or die!

And now with all our might

We will fight, fight, fight!

For the honor of BUTLER HIGH.

Nottie:

To one of my dearest and closest friends, whom I love as if you were my sister. Always have success and happiness as I know you will.

Never forget the good times we have had, these six years through high school together, and the many times we've had so much fun together.

Remember all the fun we've had when we were in the ninth grade? I'll never forget it. Remember all the fun we had when we went to teen-club together? We have had some good old times haven't we.

Best wishes always to a girl who deserves it. Best of luck with David, because you make the cutest couple and he is just wonderful for you.

After we get married you are welcomed always in our home, anytime you want to come, the door will always be open.

The first girl I have, I'll name after you, because "Dorothy Walker" is a beautiful name, isn't it?

AUTOGRAPHS

I do wish you the best of love and
luck, and I know you won't be an old
maid!

I know me and Buddy will be
happy because we love each other very
much, and without him, life just wouldn't
be.

Never forget me and I'll never forget you.
After you graduate, and after me + Buddy
get married, please come + visit us. Both
you and David.

Love Ya!

Hail, forever, ALMA MATER!
Long we'll love and honor thee.
Never shall there be one greater,
Thou has taught us to be free.
Lead us on to life victorious
In the paths that we pursue.
Raise thy guiding torch so glorious,
Butler High School, ever true.

Alma Mater; thou art fearless
Ever brave in act and deed,
Home of strength and truthfulness,
Friend of every race and creed,
Symbol of continual worth,
Shrine of wond'rous majesty,
Mother, both in woe and mirth,
Object of our loyalty.

To Dottie

The way I feel about you could feel two or three pages. But I'll just tell you in three simple words.
I love you.

We have had our differences I know, but we always seem to patch them up, which is a good sign if you know what I mean (like the future).

We going together so long and breaking up for a whole summer and still coming back to each other seems to point out we were meant for each other. If you really meant what you wrote and say then I think we will last with each other. Even if we don't I will always love you.

Love you no matter what happens

Jim
